

12 Days of Christmas Sewing: Day #3—Christmas Tree Napkins

With two coordinating fabric prints and a little serging savvy, you're on your way to creating functional as well as festive napkins. Give a set as a gift, or make a set for your holiday entertaining. It's a fun project. Here's a preview of the serging process.

Cut 16" circles for dinner napkins or 10" circles for dessert napkins. Place wrong sides together. Use the [Yardstick Compass](#) to draw accurate circles.

Serge edges with three-thread narrow overlock stitch.

Creatively fold the napkins. Fold top of napkin to back about 1/3 of the way down. Fold one edge 1/3 to front. Fold remaining edge to back.

Happy Serging,
