

## Free Patriotic Quilt Pattern

I received the email below from Stephanie Kepecs, a [Sewing with Nancy](#) viewer, who wanted to share the American Flag quilt pattern that she designed for her son.

I was watching your show recently and was struck by a quilter who was making quilts for soldiers ([the Nancy's Corner segment](#) with [Cathy Ott's recycled honor quilt](#)). [Sewing with Nancy](#) has been a weekly vacation for me for many, many years. I thought you may be interested in an American Flag that I designed. I am not a professional; I teach quilting as a volunteer. Thanks for all the happy hours. Stephanie I was impressed—the quilt design, entitled The Betsy Ross Flag, is stunning! Yet, the most amazing part is that Stephanie and her friend Joanne Perlmutter, co-designer, wanted you to have the pattern too!

## Divine Designs For The Devout Quilter

The Betsy Ross Flag was designed in 1776 during the American Revolution. A circle of 13 Stars, representing the original colonies is set in a Blue Square. The Square Union is what differentiates this flag from all others.

For quilting purposes, the size of the Flag is determined by the width of the stripe (A)
