20-Minute Scarf

Ever think you could complete a sewing project in a less than a half hour? It's true! The 20-Minute Scarf takes about 10 minutes to cut and another 10 minutes to sew or serge. With only four seams, the 20-Minute Scarf just may become your go-to gift to serge or sew!

S-Curve Scarf

Different fabrics, different looks—that statement couldn't be more obvious when looking at these two scarf options. Even though the same pattern was used, the edge finish plus the fabric choice changed this scarf from elegant to casual. It's called an S-Curve Scarf. Two donut shapes are the pattern pieces. Wonder how it's made? I think you'll be surprised!

Lettuce-Edge S-Curve Scarf

Flirty Scarf

This scarf started out as six circles. With a little creative cutting, each circle turns into a flounce. It's practically a no-sew technique, since non-raveling interlock knit is the fabric of choice.

All Knotted Up Scarf

For scarves with plenty of dimension and texture, turn knit fabric into yarn-type strips and tie knots! From fleece to

slinky knit, use 1/2 yard of fabric or less to fashion your version of the All Knotted Up Scarf.
